Kingston hosted the '76 Summer Olympics and continues to provide great water fun! Check out sailing events here at <http://www.cork.org/>, charters <http://www.kingstonsailingcharters.com> and cruises [www.1000islandscruises.on.ca/](http://www.1000islandscruises.on.ca/)

Kingston and Gananoque are considered the gateway to the Thousand Islands and straddle Canada and the US shores. Just 32km (20 mi) east is Gananoque ([www.gananoque.com](http://www.gananoque.com)). An island cruise from either port is a great way to see the area. Driving or taking the ferry to Cape Vincent, NY, gets you to historic towns like Clayton, Alexandria Bay and Sackett's Harbor.
